TESTIMONIES FROM AROUND THE WORLD

A WORD FROM THE DIRECTOR

Enjoy the following testimonies.

From Cameroon: My name is Stephanie. I am one of those who have benefited from the gifts you sent to the church in Cameroon. I cannot begin to tell you how grateful I feel, words cannot express my gratitude. I can only say thank you so much for the invaluable gifts! I have begun to read some of the magazines like home life and many others. I have learned a lot already and I am so overwhelmed with joy at your wonderful, selfless gesture. I was also able to get some Bibles and give out to some new Christians who do not have. I also got a lot of material for my local church and my pastor feels so happy.

From India: Greetings to you all in Jesus name! I thank you all very much for all of your prayers and generous support. I would like to

I came to Christ
through the books
which he gave to me.

bring praise report to you for the glory of god. My name is Mr. Shaker I was born and brought up in a strong Hindu family and I am working as a officer in life insurance of India, some time pastor Manovah use to come to my house to share about Christ and salvation, with very good spiritual books.

I use to read keenly the books which pastor use to give to me often, but I have not accepted Christ as savior in my life. Then one day I came home after finishing a seminar on life insurance to our agencies, that day pastor came to my house with very beautiful and wonderful books and he gave me that book named ONE HEARTBEAT AWAY your journey into Eternity.

That book took me to very deep understanding about the salvation and

Eternal life in heaven. I felt great fear in my life that how much I have ignored so far about eternal life and I made up my mind to read the bible and called pastor Manovah through phone and asked him for one Bible, then immediately within one hour he brought Bible to my house and gave it to me. Then I read book with Bible references and understood about Christ salvation through these books.

That's the moment I surrendered my life to Jesus Christ, I am attending the church from last Sunday. I thank God for pastor Manovah and his literature ministry because I came to Christ through the books which he gave to me. And I took more 30 books from him to give to my co-workers in my office, most my friends received from me gladly, and myself and pastor are praying together for them.

From Kenya:

This is in regard to your wonderful gifts and supply of the very much needed Christian Literature in our town. It is true that over 40 years being a Christian leader I haven't seen an organization like yours, which supplies such precious materials free of charge and another thing that surprised me is the quantity in the container. This is first time to have a container of scriptures in our District let alone even our town.

The excitement from the many pastors the day you delivered the materials has been shared and expanded to many others who were not there that day. Many have gone there and collected materials from your representative in large quantities.

Please accept our appreciation as this was a real Christmas gift to the body of Christ. One particular Church reported their congregation triple to 200 because of outreach on receipt of the material i.e. Bibles and Bible study materials. Glory to God.

Greetings to you in the name of Jesus our Lord and soon coming King. I am happy to report to all of you that we have already shipped out 243 tons of literature this year.

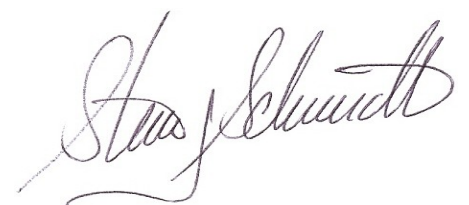

Most of the people that get Love Packages literature never know that it comes from us. Our name or address is not on any of the literature, and yet, wonderful testimonies come into our offices every week from around the world. They are just the tip of the iceberg - just a small amount that our distributors are able to collect for us. Last year we sent enough literature for 50 million people to read. It is always amazing to me how God can change a life, a home, a village by just a piece of literature.

Would you please pray for the tens of thousands of people who are reading Love Packages literature today. Ask God for a great harvest, for healing, salvation, deliverance, callings, encouragement, revelation, for the purposes of God to be birthed in the nations. Thank you in advance for your prayers.

I believe that 2009 will be a great year of harvest. I'm sure it will be a year of great challenges and I thank you in advance for partnering with us. Your support would be greatly appreciated. We will use your gifts wisely. You have helped us give the gift of Christ to so many. I am very humbled to think of the great work that God has done through us. My heartfelt appreciation to all of you.

I remain,

Yours for souls.

Testimonies from around the world

Kindly convey our great appreciation and thanksgiving to all your supporters in America or wherever they are, we pray that the peace of God will continue to be experienced in their hearts, families, churches and offices etc.

From India

What a great joy brought the 4 heavy parcels this evening! According to the paper they were send on July, 2nd. All arrived well. And I personally enjoy specially all the Bibles. Our Sunday school children (and others) had asked for Bibles and the ones you had sent a longer time ago were nearly all gone. But also the devotional booklets will be a great blessing. I just started after our English Bible study this evening straight away and gave some of "Our Daily Bread" to our older children and teens. On Sunday I will fill a table and after service everybody who knows English may take what they want. Because of the very hard time that many Christians have now here, it will be a great blessing. And I don't want to store the precious Word of God - it should go out and do a marvelous work in the hearts and lives of the people. I will send to you some last news about the situation here. We are living in peace and pray for our brethren who suffer hard.
